

Product Name: Silvertex

Content: 100% Vinyl with Urethane Top Coat and Polyester Knit Backing

Finish: Superior Stain Resistance built into the material, Pink Stain Resistant (includes anti-microbial finish)

Cleaning Code: W/S

Soap and water, alcohol and bleach resistant.

General Maintenance:

Anzea coated fabrics are inherently stain resistant, however, it is important to keep them clean to maintain the original look and feel. Clean the surface with a detergent or general-purpose cleaner as a first step because it physically removes soil, organic matter, and many germs from the surface. Rinse the surface with clean water or wipe down with a fresh water wipe.

Remove most stains with one of the following steps:

Eye Shadow. Mascara. Grease. Black Felt Tip Pen. Crayon. Chocolate. Suntan Lotion. Hair and Body Oils

Remove excess spill with a damp cloth. Clean with a 1:1 mix of Ivory® soap and water. Next, rinse with clean water and dry.

Red Lipstick

Use a straight application of concentrated cleaners such as Formula 409® or Fantastik® spray cleaner. Wipe with a clean cloth, rinse with water and dry.

Blood. Urine. Feces. Oil Based Paint. Tar. Asphalt

Use a 1:10 mix of bleach and water. Rinse thoroughly with clean water and pat dry.

All Other Stains

Use a soft cotton cloth saturated with 1:10 mix of isopropyl alcohol and water. Rub the stain in circles 10 times. Pat dry with another soft cotton cloth and check the results. Repeat if needed. Rinse thoroughly with clean water and pat dry.

**Denotes those with active ingredients consistent with EPA reports for use against SARS-CoV-2, the virus that causes COVID-19. The efficacy cannot be tested and verified.*

Rinse thoroughly after the suggested waiting period with clean water and wipe with a cloth to dry. Residue left by cleaning agents will degrade, shorten the life and affect the products appearance if not removed.

Cleaning recommendations above are a guide to product care. Per Anzea's warranty: The warranty does not cover puddling, ink stains, dye stains, cuts, punctures, burns and forms of abuse including those that are unintentional. **The warranty does not cover damage resulting from lack of cleaning, misuse of cleaning agents or the use of inappropriate cleaning agents for the product or the failure to rinse the product after cleaning or disinfecting.**
